The above policies are making indemnity payments only for Dresser/Halliburton.

CURRENT STATUS: A settlement was reached in May 2004 with Dresser Industries, Inc./DII Industries/Halliburton (Dresser). The Releasing Policyholders agreed to release all claims, present and future, known or unknown, in connection with the policies at issue in the Harbison-Walker Adversary Proceeding, as well as the portion of the policies apportioned to Dresser in the Federal Mogul Adversary Proceeding for all asbestos related claims arising out of the Studebaker-Worthington's and Worthington Pump's historical operations. Pursuant to the coverage in place agreement, settlement payments commenced in March, 2005 and potentially conclude in December, 2014 provided Dresser has proof they have the claims. The next payment is due on September 30, 2010.

Background

The settlement resolved multiple claims for coverage by DII, Industries LLC (f/k/a Dresser Industries) ("Dresser") for asbestos liabilities arising out of the operations of several corporate entities insured under several lines of coverage which were the

subject of numerous litigations, including two declaratory judgment actions, various bankruptcy filings, several adversary proceedings, and two separate mediations.

Coverage at Issue

Coverage at issue in connection with this settlement totaled over \$500M, and included lines issued to numerous Dresser predecessors, successors, subsidiaries and affiliates such as Studebaker-Worthington, Inc., McGraw-Edison Company, Wagner Electric Company, Harbison-Walker Refractories, and Kellogg Brown and Root ("KBR"). Accordingly, there were three (3) sets of policy limits at issue: 1) Studebaker-Worthington ("S-W") and McGraw-Edison's ("M-E") (\$250M); 2) Harbison-Walker's (\$232.878M); and 3) KBR's (\$68M).

Bankruptcy Proceedings and Related Actions

In 2002, Dresser filed a pre-packaged bankruptcy petition in the United States Bankruptcy Court for the Western District of Pennsylvania seeking to discharge its asbestos liabilities pursuant to Section 524(g) of the Bankruptcy Code. Dresser simultaneously commenced an Adversary Proceeding within the bankruptcy against its insurers seeking a declaratory judgment for coverage of the Harbison-Walker asbestos claims as well as other historic Dresser related asbestos claims. Thereafter, Federal-Mogul filed its own bankruptcy petition in Delaware, in which Dresser initiated an adversary proceeding regarding Federal-Mogul's claims under the Studebaker-Worthington and McGraw-Edison lines of coverage.

Mediation

In 2002, Dresser and all of its insurers entered into a court ordered mediation in an effort to resolve the Adversary Proceeding pending in the Dresser bankruptcy. At a later date, the parties agreed to incorporate the Federal Mogul adversary proceeding into the mediation. Ultimately the mediation included Dresser's claims for coverage of the Harbison-Walker asbestos liabilities and other historic Dresser asbestos claims under the Dresser line of coverage, as well as Dresser's claim for coverage of the Worthington Pump and Studebaker-Worthington asbestos liabilities under the Studebaker-Worthington and McGraw-Edison lines of coverage.

Chartis Settlement With Dresser

After two years of mediation and intensive negotiations with Dresser and Federal-Mogul, a settlement in principle with Dresser was reached in May 2004. The settlement included Dresser's claim for coverage of the Harbison-Walker and other historic Dresser asbestos claims under the Dresser line of coverage and the Worthington Pump and Studebaker-Worthington asbestos claims under the S-W and M-E lines of coverage. Under the terms of the settlement, Chartis obtained a complete settlement from Halliburton, Dresser, and their affiliates of any and all asbestos- and silica-related claims under all of the policies at issue.

Based on allocation models prepared by consultants retained on behalf of the insurers, Chartis agreed to pay \$173,620,556, net present value, discounted at 5.5%. The total nominal value of this settlement, which was the alternative payment methodology according to the cash flow model, was \$233,179,583, with payments from AIG due in two installments of \$179,857,876 due July 5, 2009 and \$43,321,707 due July 5, 2010. While participating in the global mediation Chartis entered into a separate Settlement Agreement and Release with Dresser. The settlement was approved by the bankruptcy court on November 18, 2004.

The Partitioning Agreement

One hurdle that had to be overcome was the inability to reach a settlement with Federal-Mogul in connection with its claims arising out of the historic Wagner automotive brake operations and coverage for those claims under the S-W and M-E lines of coverage. In order to proceed with the settlement with Dresser, and to preclude Federal-Mogul or any other entity from seeking to access the limits of liability under the S-W and M-E policies which were subject to the settlement with Dresser, the parties agreed to a vertical partition of the limits of liability under the policies with 50% of the available limits going to Dresser and 50% of the remaining available limits going to Federal-Mogul or any other entity that may attempt to prove coverage under these policies. The Partitioning Agreement was approved by the bankruptcy courts.
